

Small bites, big flavor

Tastefully Small Finger Sandwiches

When it comes to good food, less is more. Since the first and last bites are always best, why bother with the rest? Besides, when you make it small, you can have it all: your own fancy tasting menu, right at home.

This unique cookbook series, covering all dishes “great and small,” is a feast for the eyes and a palette for the palate: everything the artful cook needs to satisfy the most discriminating diner, from the gourmand who’s seen it all to the finicky kid who won’t eat a thing. If you’re looking for that little something extra the next time you entertain, make it *Tastefully Small*. Because good things come in small packages.

If you think finger sandwiches are just for frilly tea parties, think again!
